APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,  
and do hereby grant the same, subject to the following limitations and  
conditions: This permit is issued subject to all prior rights on the  
source. A substantial headgate and weir must be installed and maintained  
at or near the point of diversion to facilitate the measurement and control  
of water. The State reserves the right to regulate the use of the water  
herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount  
which can be applied to beneficial use, and not to exceed One (1.0)  
cubic foot per second.

Actual construction work shall begin on or before November 22, 1943

Proof of commencement of work shall be filed before December 22, 1943

Work must be prosecuted with reasonable diligence and be completed on or  
before November 22, 1945

Proof of completion of work shall be filed before December 22, 1945

Application of water to beneficial use shall be made on or before

November 22, 1946. Proof of the application of water to beneficial

use must be filed with State Engineer on or before December 22, 1946

Filed AUG 18 1942

Cancelled MAR 10 1949

because of failure of applicant to comply with provisions of permit

WITNESS MY HAND AND SEAL this 22nd day  
of May, 1943
